Rick,

Thank you for the follow up and the proper information for DMR submittal. I will certainly let you know if we have any more questions.

Thanks so much,  
Kate

Hi Kate:

Thank you for the call and introduction. We hope the transition continues to go smoothly.

As we discussed, Cindi Godsey, NPDES Permits Unit (NPU), administers the Cook Inlet general permit AKG315000 for NPU. It is my understanding that she recently worked with Chevron/Unocal staff during the transition on NOI issues. Cindi can be reached at (907) 271-6561 if you have future questions on that NOI process.

I talked to Chae and Diane Davis, the NPDES Compliance Unit's data team lead, about your question on DMR mailing. The general permit's submission requirements for DMRs do not identify named individuals for mailing purposes (see, e.g., Part I.G.2.). Accordingly, DMRs should no longer be directed to Chae. Instead, please direct the DMRs to the address in the general permit, Part I.G.2., with the following "attention" notation:

Director, Office of Compliance and Enforcement

Attention: Data Entry Staff  
United States Environmental Protection Agency, Region 10  
1200 Sixth Avenue, OCE-133  
Seattle, Washington 98101

I hope this information is responsive to your inquiry. Please don't hesitate to call me if you have questions on this or any other matter.

Best.
